

Job Title: Continence Nurse Consultant

Company: Nurse Next Door Adelaide South West

Location: Adelaide, South Australia

About Nurse Next Door:

At Nurse Next Door, we are passionate about delivering personalised and compassionate in-home care to our clients. We are committed to creating a culture where our team members feel valued, supported, and empowered to make a real difference in the lives of others.

We are currently seeking an experienced and dedicated Continence Nurse Consultant to join our team. This role is a fantastic opportunity for an individual who is passionate about helping clients manage their continence needs in a compassionate and professional manner.

Position Overview:

As a Continence Nurse Consultant at Nurse Next Door Adelaide South West, you will be responsible for providing expert continence care to our clients in the community. You will work collaboratively with our clinical team to assess, plan, and implement care strategies that enhance the quality of life for those living with continence challenges.

This is a casual position but can be made permanent part-time for the right applicant, offering flexibility and the opportunity to make a positive impact in the lives of our clients.

Key Responsibilities:

- Conduct thorough assessments of clients' continence needs and provide personalised care plans.
 - Educate clients, families, and staff on continence management strategies and best practices.
 - Provide ongoing support and follow-up to ensure effective continence care.
 - Work collaboratively with other healthcare professionals to ensure holistic care for clients.
 - Stay up to date with the latest developments in continence care and apply evidence-based practices.
 - Document all assessments, care plans, and interventions accurately in line with company policies.
 - Promote a positive and professional image of Nurse Next Door and ensure the highest standards of care are maintained.
-

Skills and Qualifications:

- Registered Nurse with current AHPRA registration.
- Specialised education and experience in continence nursing.

- Strong clinical assessment skills and the ability to develop individualised care plans.
 - Excellent communication and interpersonal skills, with the ability to educate and support clients and families.
 - Ability to work autonomously and manage time effectively.
 - Experience in community or home care nursing is preferred.
 - A passion for providing exceptional care and improving clients' quality of life.
-

Why Join Us?

- Competitive salary and flexible working hours.
- Supportive and friendly team environment.
- Ongoing professional development and training opportunities.
- Opportunity to make a meaningful difference in the lives of your clients.
- Work with a respected and caring organisation that values its staff.
